

I-41 Project (Appleton to De Pere)

WTBA/Engineers Conference

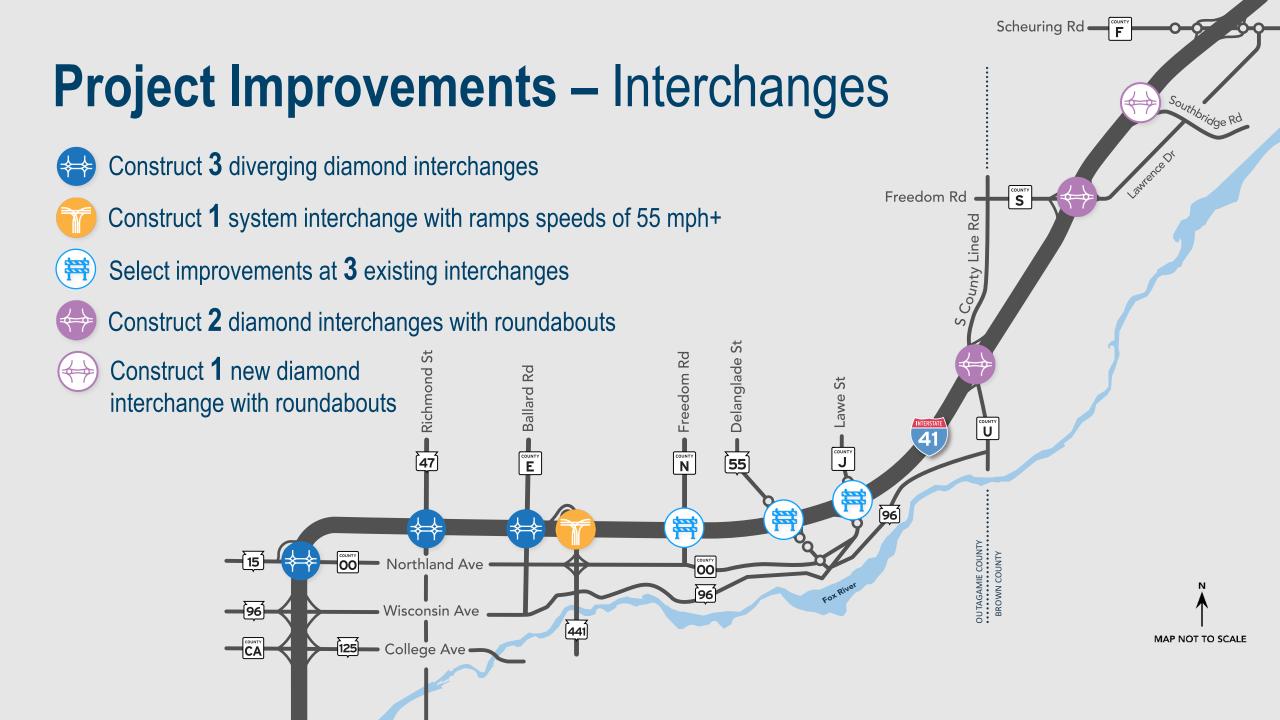

January 18, 2024

Project Improvements – Mainline

Scheuring Rd -

Southbridge Rd

Project Improvements

Resurface **3** park-and-ride lots

Construct **1** new salt shed

Construct **1** combined Safety and Weight Enforcement Facility (SWEF) and Northeast Region State Patrol Headquarters

Scheuring Rd

S

Freedom Rd

Southbridge Rd

renceDI

Safety and Weight Enforcement Facility (SWEF) and State Patrol Post

- Construct State Patrol's new Northeast Region Post in a two-story building
- Construction expected to begin in 2024
- Collaboration with BHM, DSP, & DBM

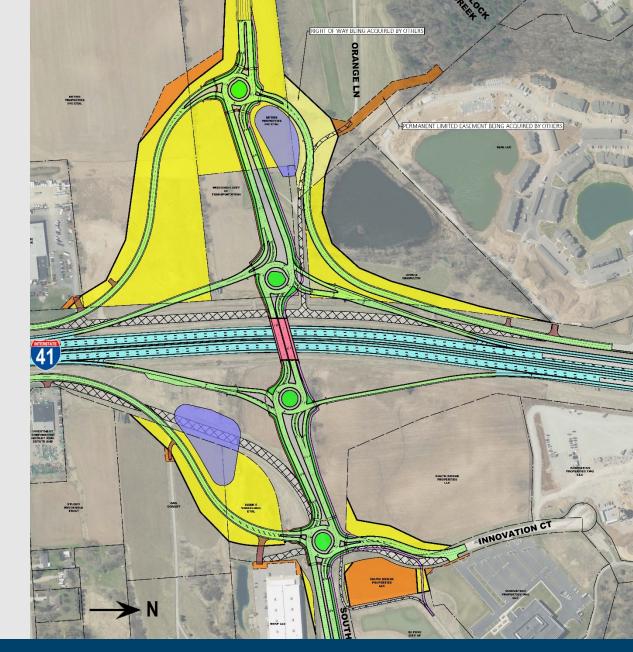

Note: Design is preliminary and subject to change

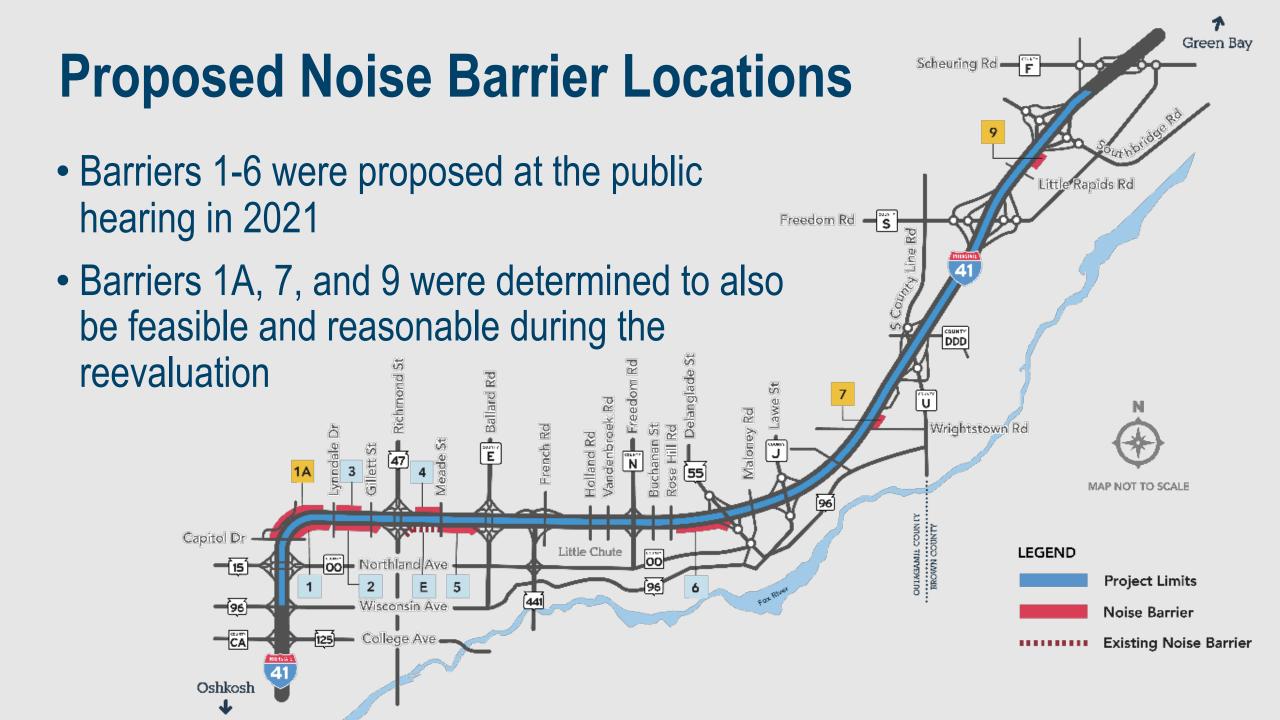

Southbridge Interchange

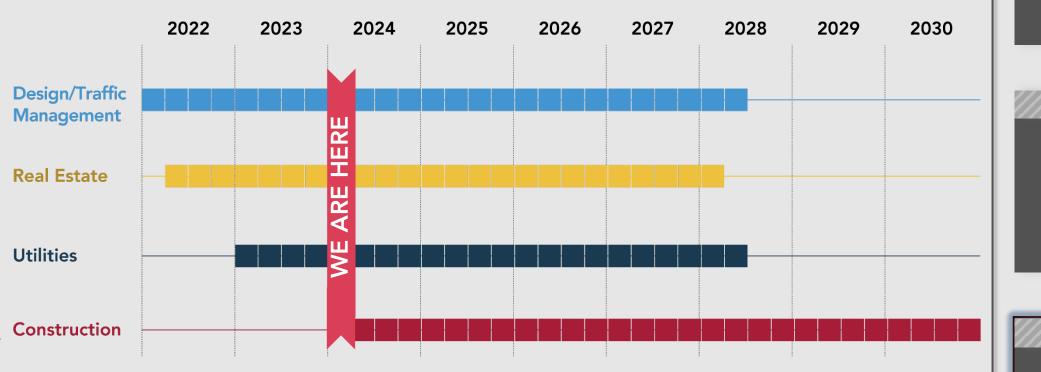

- Construct a new diamond interchange
 with multi-lane roundabouts
- Add a shared use path on north side of Southbridge Road
- Brown County's adjacent project work will extend Southbridge to the County EB/ County F intersection to the west and to the Southbridge/Lawrence Drive intersection to the east

Project Schedule

Note: Timelines are subject to change

Major Milestones

FEBRUARY 2023

DESIGN PLANS 60% COMPLETED

SUMMER 2023

BEGAN RIGHT-OF-WAY ACQUSITION PROCESS

> 2024 PROJECT CONSTRUCTION TO BEGIN

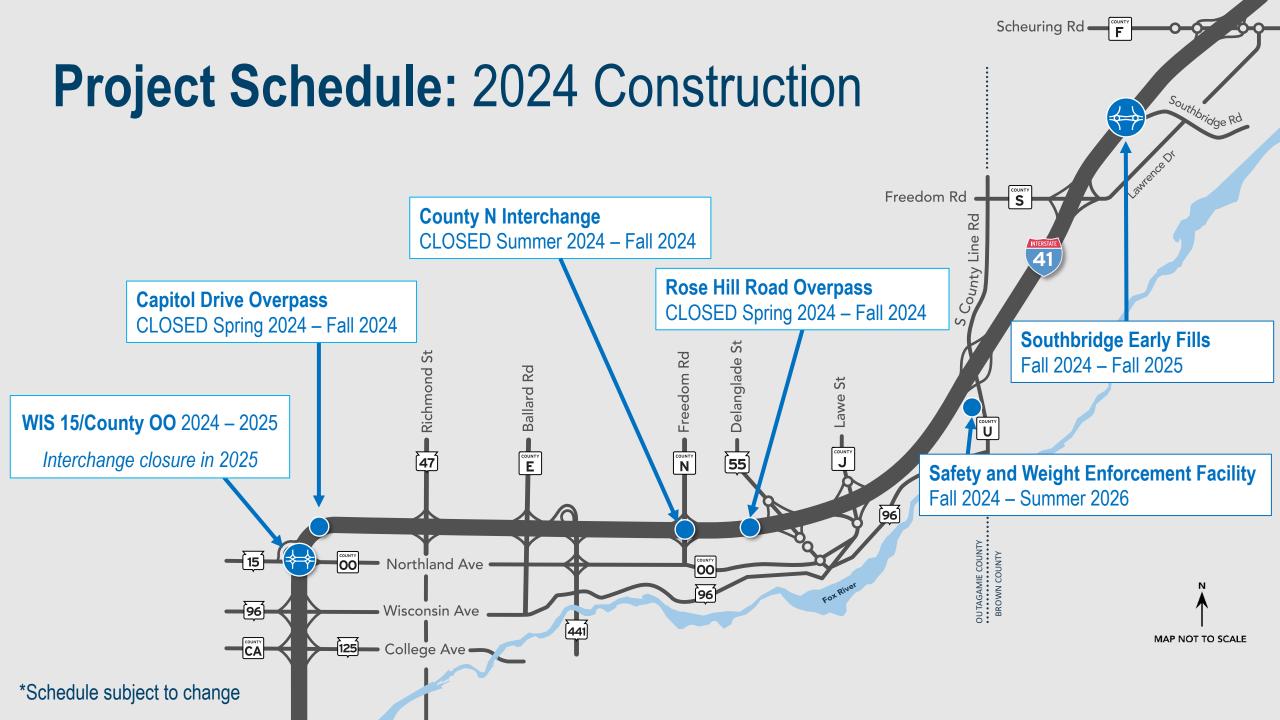

Project Schedule: 2024 Design

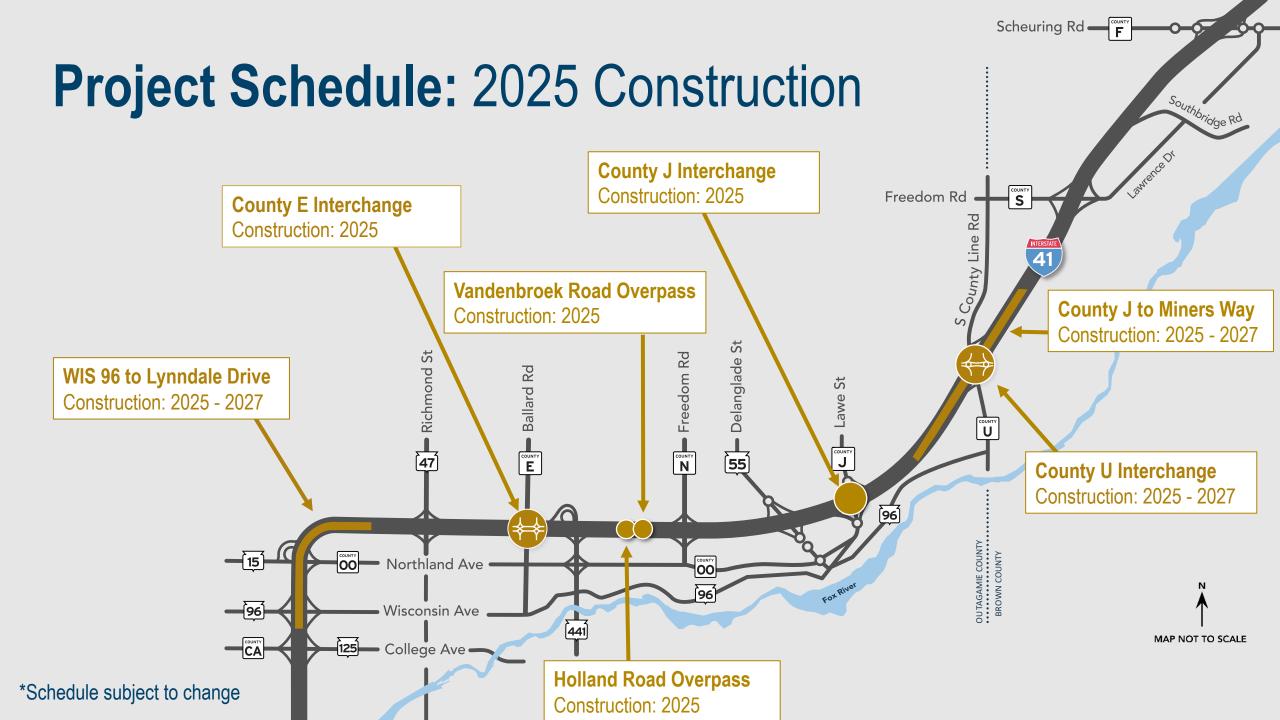

- Ongoing design and PSE submittals
- Field work continues
 - Soil boring
 - Additional survey work
- Transportation and incident
 management planning
- Utility relocations
- Real estate acquisition ongoing
