SAND VALLEY

THE GOLF COURSES

SAND VALLEY

The original course that's like golfing in a national park. With massive exposed dunes, firm and fast fairways, it offers a fun, playable experience that can be a serious challenge.

MAMMOTH DUNES

Enormous greens and fairways make Mammoth the definition of fun. This course is masterfully sculpted around a massive V-shaped ridge native to the property.

SANDBOX

A 17 hole par 3 course offering an intimate connection to the landscape of central Wisconsin. This course winds through a restored sand prairie nestled within the same V-shaped sand ridge that frames Mammoth Dunes.

LIDO

The holy grail of lost courses resurrected. Originally opened in 1914, the Lido is a masterpiece renowned for its classic template holes before being lost during WWII. The Lido will host four USGA championships in 2026.

SEDGE VALLEY

The newest course inspired by English heathland design. With strategic design and standout green sites, it offers a timeless and enjoyable experience for golfers of all skill levels.
